Cc Maria Soto-Greene <sotogrml@njms.rutgers.edu>; Novneet Sahu <novneet.sahu@njms.rutgers.edu>

Dear Kristy Bono, Jamie Bono, Susan Neigher, Diana J. Starace, Kate Lee, Janice Wah:

On behalf of Dr. Soto-Greene, Dr. Sahu, and the Hispanic Center of Excellence, we are thrilled to inform you that your poster, "The Impact of Human Trafficking Education on New Jersey Healthcare Professionals" has been accepted for the oral presentation from 1:00 pm to 4:00 pm in room B516/B542 at the 1st Health Systems Science Conference "Social Drivers of Health – Moving from Awareness to Advocacy." Congratulations on this achievement! Your dedication to advancing health systems science is vital to shaping a more robust and resilient health landscape.

To ensure that the conference runs smoothly and all posters are of the highest quality, we kindly request that you make the following revisions to your poster:

Content Clarifications:

- Check for clarity and coherence in concise content and add objectives
- Ensure that your poster addresses the "Social Drivers of Health" theme and emphasizes the transition from awareness to advocacy.

Engagement Strategies:

- Prepare key talking points to facilitate meaningful discussions during the presentation.

Visual Presentation & Proofreading: All posters will be presented electronically, so there is no need to bring printed posters.

- Confirm that your visual elements (graphs, charts, images) are clear and support the key messages of your poster and appearance for easy read.
- Check for consistency in font size and style throughout the poster.
- Thoroughly proofread your poster for grammatical errors and typos.

Please submit the revised version of your poster no later than Monday, January 8, 2024. We are confident that these revisions will enhance the overall quality of your presentation and contribute to the success of the conference.

If you have any questions or need further assistance, please do not hesitate to reach out to Tatiana Berrios-Chango.

Thank you for your commitment to advancing health systems science, and we look forward to seeing you at the conference!

Best regards,

Tatiana
